## Spartans Are Again Top Team of State

Missoula defeated the Butte Bulldogs 14-0 in a defensive struggle. The Missoula offense was sparked by Pickens, Weishaar, and Quarterback Bray, who mixed up the plays to confuse the Butte line. Halfback Pickens ran almost at will. The Bulldogs were on defense most of the time as their offense couldn't seem to get rolling. Stack and Serigstad were outstanding in the Butte line along with End Mattingly and Halfback Annala.

Missoula's first score came on a line plunge by Pickens early in the fourth quarter and with 20 seconds left to play, Bray went around left end for the second and final score. Both extra points were good, making the final score 14-0.

The following day after the game, an All-Conference squad was picked listing Stack and Serigstad of Butte and Pickens, Bray, Scott and Rinehart. This was Missoula's second straight championship.
